Mr. Christopher Dowell – Assistant Principal*

August 5, 2020

To Whom It May Concern,

I am writing this letter on behalf of Ms. Kathy D. Woods (Parent Liaison).

I am the Principal at Hickory Flat Elementary School in Henry County, Georgia. I have been an educator for 31 years and in my experience, Ms. Woods is one of those parents who only comes along once in a great while. She works diligently to enhance our school and is a great asset to us! Ms. Woods' activism, support, and involvement as a parent at Hickory Flat Elementary School is valued beyond measure. She puts an enormous amount of her time and effort towards providing essential items to her child's classroom and our school. Her ability to connect with the community to bring much-needed support to our Title I school is so cherished and appreciated.

If you are able, we encourage you to join in partnership with Ms. Woods to assist her in her 'Grace 4 Champions' mission to support schools, students, and families. Ms. Woods is helping to make Hickory Flat Elementary School a place where students are learning in a safe, healthy, and happy place and where parents are confident that their child's academic, social, emotional, and personal needs are being met.

Best,

Dr. Marla Surette
Principal
