Dear Grace 4 Champions,

I would like to express my sincere gratitude for the positive impact this organization has made in my family. Like most people, we were hit hard at the start of the pandemic. My husband lost his job, and he was unable to draw unemployment because not enough taxes had been taken out. I was devastated! I did not know how my family was going to make it...But God! At one of our lowest points, Grace 4 Champions came through and blessed my family with a \$250 Walmart gift card for Christmas. I was full of joy, peace and happiness. The love they have for people leaves me speechless. I will be forever grateful for this organization. Thank you again!
